Harmful Substance Detox Blend

Includes a blend of IV fluids, vitamins and antioxidants that detoxifies your body and improves stability to help remove harmful toxins left over from excessive drug & alcohol usage. Our special formula can remove toxins from drugs & alcohol that would normally stay present in the body up to 1 year after last use.

Enzyme Based IV Cleanse

Our Enzyme IV Cleanse is loaded with IV fluids, electrolytes, B12, B-complex vitamins, Vitamin C, Glutathione and Biotin which will restore body & mind to natural stable levels prior to use of drugs & Alcohol.
